Targus

THD04301AP | Targus Click-In Case for iPad® mini

The Click-In case offers all round protection for your iPad® mini. A hard shell cover clicks securely to the back of your iPad® to provide protection to the back and sides, whilst a durable front cover with soft interior lining protects your iPad® screen. The front cover folds back to form a hands free stand for easy viewing and comfortable typing. Click-In cases also ensure that you are able to access all ports, features and functions of your iPad® whilst it is still inside the case. The ultra slim design is lightweight and easy to carry. It offers durable protection for your iPad®. With a molded cradle and slender silhouette, your iPad® is covered front to back for high protection.

Functionality – Ultra slim and lightweight for complete portability; Transforms into a stand to use your iPad® hands free and provides a comfortable typing angle; Access all your iPad® features and functions while inside the case; Hard shell back cover which securely clicks onto your iPad® to provide protection to the back and sides

Compatibility – Designed specifically for the iPad® mini version

Material – Durable easy-to-clean exterior shell with soft interior lining protects your iPad® screen
